

**National Energy Board (the Board or NEB) Application for a Short-Term Export Order  
Pursuant to Part VI Exports and Imports of the *National Energy Board Act*,  
Division I Oil and Gas**

**Application for Short-Term Natural Gas Export or Import Order**

Application Submission Date: 14/10/2013

### **Applicant Legal Status**

Applicants must be persons. The Interpretation Act, R.S.C. 1985, c. I-21, defines "person" to include a corporation. Partnerships are not expressly included in the definition. Under Canadian law, a partnership is not a legal entity separate from its partners. Accordingly, partnerships established under Canadian legislation cannot hold NEB export or import orders, permits or licences. Rather, a partner(s) or the general partner must apply for and on behalf of the partnership. Where the partnership is established under foreign legislation which does recognize a partnership as a person or a distinct legal entity, however, that partnership can apply for and hold NEB export or import orders, permits or licences.
