Reasons for Statement of Opposition to the Detailed Route

1. Describe whether you are the registered owner, or a tenant, lease holder, occupier, or have some other interest in the land you have identified under Required Information.
2. Describe your reasons for opposing the proposed detailed route. This should include how you believe your lands or your interest in lands may be affected by:
 - the proposed location of the pipeline;
 - the methods of pipeline construction; and/or
 - the timing of pipeline construction.

The Sardis Vedder aquifer need to be protected as our so drink source of water. Relocating by the Trans Canada highway will help this.

Please attach another page if needed, and attach any additional relevant documentation (such as a site map or property sketch)

Do you wish to be contacted regarding the possibility of using Appropriate Dispute Resolution (ADR), as provided by the NEB?
(ADR can provide an opportunity, through facilitated discussion, to help resolve issues outside of a hearing process.)
