

**IN THE MATTER OF
NATIONAL ENERGY BOARD**

**TRANS MOUNTAIN EXPANSION PROJECT RECONSIDERATION
HEARING ORDER MH-052-2018
Board File OF-Fac-Oil-T260-2013-03 59**

AFFIDAVIT OF KEVIN NEARY

I, KEVIN NEARY, of Victoria, British Columbia, SWEAR THAT:

1. I am the principal of Traditions Consulting Services Inc. ("Traditions") and as such, have personal knowledge of the facts and matters hereinafter deposed to, save and except where such facts and matters are stated to be made upon information and belief, in which case, I believe them to be true.
2. Attached hereto and marked as Exhibit "1" is my curriculum vitae, setting out my educational qualifications and professional experience.
3. I was retained by the Intervenor, Pacheedaht First Nation ("Pacheedaht") in this matter, as the project director to lead the preparation of the *Pacheedaht First Nation Marine Traditional Knowledge Project, 2017 Final Report (With Updates to November 30, 2018)* (the "Updated TMUOS").
4. The Updated TMUOS was a joint project undertaken by Traditions, the Pacheedaht Heritage Project, and the Pacheedaht First Nation Treaty Department.
5. On December 5, 2018, a copy of the Updated TMUOS was filed with the National Energy Board in the Reconsideration as document number **A6L6I7**. Due to the confidential nature of certain maps in the Updated TMUOS, pages 9, 72-81, and 89-90 of the Updated TMUOS have been redacted. I understand that an unredacted copy of the Updated TMUOS has been filed confidentially with the National Energy Board and provided to Trans Mountain and Canada.

6. As the project director, lead researcher and author of the Updated TMUOS, I hereby confirm that to the best of my knowledge, it is true and accurate and I adopt the final, filed version of the Updated TMUOS [A6L6I7], including the maps at pages 9, 72-81, 89-90 which have been filed confidentially, as my evidence.

Kevin Neary has conducted anthropological and historical research in British Columbia since 1972, including traditional use and occupancy studies and other investigations related to First Nations ethnography, archaeology, arts, material culture, and museum exhibits. He worked 24 years (1972 – 1996) at the Royal B.C. Museum as an Ethnology Collections Manager, Ethnology Curator, and Public Programs Producer. He was a founding partner of Traditions Consulting Services, Inc. (Traditions) in 1997. With Traditions, he has directed or participated as a consultant in numerous research and other projects specializing in traditional use and occupancy studies, as well as other projects related to First Nations history and culture, museum interpretation, and exhibits.

Education

Specialist BA in Anthropology, University of Toronto, 1972.

Work History

1997 – 2019: Traditions Consulting Services, Inc. (President)

Professional consultant for traditional use and occupancy studies, anthropological research, litigation research, specific claims, exhibits, and report writing concerning British Columbia First Nations history and culture; museum interpretation, and the planning, development and production of museum exhibits.

1972 – 1996 - Royal B.C. Museum

1986 – 1996: Public Programs - Developed and produced public programs (exhibits, special events, videos, school programs, etc.); conducted anthropological research on B.C. First Nations and historical research.

1979 – 1986: Ethnology Curator - Conducted anthropological research, ethnographic and archaeological fieldwork, planned and produced museum exhibits, lectures, tours and events.

1972 – 1979: Ethnology Collections Manager – Managed and researched Ethnology artifacts; cataloguing of artifacts; exhibit planning; conducted ethnographic fieldwork and material culture research.
