Dear Ms. Schmidt:

**Westcoast Energy Inc., carrying on business as Spectra Energy Transmission
(Westcoast) - Spruce Ridge Program (Project)
Erratum for Order XG-W102-032-2018**

On 18 December 2018 the Board issued Order XG-W102-032-2018, the effect of which was to approve the construction and operation of the Project. Due to an administrative error, the text of Condition 18 referred to Condition 20 c) instead of Condition 17 c) and the Facilities Specifications table for Compressor Station N5 identified the product as sour natural gas instead of non-sour natural gas.

Enclosed is an Erratum to Order XG-W102-032-2018 which correct the errors in Condition 18 of the Order and in the Facilities Specifications for Compressor Station N5 in Schedule A.

The Board apologizes for any inconvenience caused by this matter.

Yours truly,

Sheri Young
Secretary of the Board
