Re: Nova Gas Transmission Ltd. (NGTL)
2018 Decommissioning Program

Letter of Comment

We have been unable to issue a Letter of Clearance and/or Support for the the decommissioning of the following sites on the grounds that NOVA/TC has been unable to assure us that

1. No archaeological/heritage or environfontally significant sites have been or will be destroyed due to the operation of or decommissioning of these sites.
 2. That any Healing Ceremony has been or will be conducted at these sites at or before removal of these sites.
