## Statement of Opposition 2019 Trans Mountain Expansion Project Detailed Route

**YOU HAVE 30 CALENDAR DAYS TO FILE YOUR STATEMENT OF OPPOSITION  
AFTER BEING SERVED WITH NOTICE OR AFTER NOTICE IS PUBLISHED**

Please read carefully. Important information to know in completing the form.

This Form and any future documents you file with the Board will appear in the Board's online public registry, meaning that your personal information and the documents themselves can be accessed and viewed by the public.

This Detailed Route Process will not reconsider the need for or the merits of the Trans Mountain Expansion Project (TMEP). This process will also not consider any compensation matters, such as land acquisition and/or damages.

The only matters to be considered in a Detailed Route Process are:

- (a) the best possible detailed route of the pipeline;
- (b) the most appropriate methods of construction of the pipeline; and
- (c) the most appropriate timing of construction of the pipeline.

If you oppose the Trans Mountain Expansion Project Detailed Route, you must complete this form and file it within the 30 calendar day deadline, regardless of whether you submitted a Statement of Opposition in the 2017 TMEP Detailed Route process. See **Parts E and F** of this Form.

This Form can be completed electronically or you can print a copy of the Form and complete it legibly in writing. See Part H for contact information if you need help with this Form and instructions on how to file your completed form.

If you have process questions, contact us Toll Free at 1-800-899-1265 and from the message menu options, select the **TMX Detailed Route Project** and your call will be transferred to the Process Advisor Team.

Process Advisors can also be reached by email at: [TMX.ProcessHelp@neb-one.gc.ca](mailto:TMX.ProcessHelp@neb-one.gc.ca).
