Dear Mr. Gallant:

**Imperial Oil Resources Ventures Limited (IORVL) Mackenzie Gas Project (MGP) -
Request for an Extension of the Sunset Clauses**

In a letter dated 20 August 2015 IORVL made a request to the National Energy Board (the Board) to extend the Sunset Clause a period of seven years for the approvals for the Mackenzie Valley Pipeline (MVP) and the Mackenzie Gathering System (MGS). The Board has determined it will require additional time beyond 31 December 2015 in order to properly consider the requested seven year extensions. The Board hereby directs that both condition 74 (Appendix K, GH-1-2004 Reasons for Decision, Volume 2) for the MVP and condition 74 (Appendix M, GH-1-2004 Reasons for Decision, Volume 2) for the portion of the MGS located within the Inuvialuit Settlement Region be extended until 30 September 2016 to allow the Board to properly consider the variance application dated 20 August 2015.

Yours truly,
