Dear Ms. Angus:

**NOVA Gas Transmission Ltd. (NGTL)
North Montney Mainline (Project)
Certificate GC-125
Condition 15(a) - Preliminary Caribou Habitat Restoration Plan (CHRP)**

The National Energy Board (NEB or the Board) is in receipt of the Revised Preliminary Caribou Habitat Restoration Plan (Preliminary CHRP) for the North Montney Mainline Project filed on 21 August 2015 pursuant to Condition 15(a) of Certificate GC-125, and the Errata filed on 31 August 2015.

Safety and environmental protection are of paramount importance to the Board. The Board requires NEB regulated companies to continually improve their safety and environmental performance. Given that the content of the Preliminary CHRP will continue to evolve prior to the submission of the Final CHRP pursuant to Condition 15(b), the Board approves NGTL's Preliminary CHRP.

Yours truly,

Original signed by

Sheri Young
Secretary of the Board
