extension thereof, provided the Company shall repair any damage to the Leased Area occasioned by such removal.

8. Assignment by Lessor

If the Lessor sells or otherwise divests or agrees to sell or otherwise divest all of any part of the Lessor's interest in the Lands, the Lessor shall, as a condition precedent to such sale or divestiture, obtain from the Lessor's successor in interest ("**Lessor's Successor**") and provide to the Company prior to the completion of such sale or divestiture, an assignment and assumption agreement (in form and content satisfactory to the Company, acting reasonably) in favour of the Company, whereby, among other things, the Lessor's Successor agrees to assume and be bound to the Company by all of the provisions of this Lease.

9. Assignment by Company

The Company may, without any requirement to obtain the Lessor's consent, delegate, assign or convey to any other person, firm or company, all or any portion of the powers, rights and interests obtained by or conferred upon the Company hereunder and the Company shall be entitled to sublease all or any portion of the Leased Area without the consent of the Lessor, and the Company may enter into all agreements, contracts and writings and do all necessary acts and things to give effect to the provisions of this clause.

10. Quiet Enjoyment

11. Extension of Term

Subject to clause 18 and provided that:

- (a) if the Leased Area is part of a parcel, as such term is defined in *The Planning and Development Act, 2007*, or any subsequent subdivision legislation that replaces such statute, the Leased Area has been subdivided from the Lands and a certificate of title has been issued for the Leased Area,

the Company may, by written notice to the Lessor provided to the Lessor prior to the end of the Term or the extended Term, as the case may be, extend the Term for a further period of twenty-five (25) years under the same terms, conditions and covenants herein contained, including this provision for extension which shall, however, be limited to four (4) such extensions to be granted to the Company, provided however, the Land Acquisition Payment and First Year Payment shall not be payable anew in connection with any extension. For greater certainty, only the Ongoing Payments will continue in connection with any extension. The Lessor agrees to cooperate with the Company in obtaining approval to subdivide the Leased Area from the Lands and in causing such subdivision to be registered and to execute all documents and consents reasonably required by the Company in order to effect such subdivision. The Company shall be responsible for the costs associated with obtaining and registering subdivision approval. The Lessor hereby irrevocably authorizes the Company to make any necessary applications to subdivide the Leased Area from the Lands.

12. Registration of Lease

The Company shall be entitled to register this Lease against the title to the Lands (such registration is hereinafter referred to as the "**Lease Registration**"). At the request of the Company, the Lessor shall obtain and deliver to the Company all postponements and discharges as the Company may reasonably require so that the registration of the Lease Registration, is not subject to any prior mortgages, charges or other financial encumbrances whatsoever.

- 18.3 Where the Company provides notice of termination to the Lessor, the requirement of the Company to make any Ongoing Payments, with respect to the portion of the Leased Area surrendered, shall cease as of the date of such termination, provided however, that there shall be no refund to the Company of any payment already made by the Company to the Lessor.
- 18.4 Notwithstanding subclauses 4.3(b) and 4.4, any portion of the Land Acquisition Payment that remains payable as at the date of termination of this Lease pursuant to subclause 18.1 shall be paid forthwith by the Company to the Lessor by one lump sum payment.

The payment of any amount to such third party shall be deemed to be payment hereunder of such amount to the Lessor. For greater certainty, the Company shall not be required to obtain the Lessor's consent prior to making such payment. The Company shall provide to the Lessor written confirmation of any such payments within thirty (30) days of making such payments.

21. Default and Sole Remedy

Notwithstanding anything herein contained to the contrary, the Company shall not be in default in the performance of any of its agreements or obligations under this Lease, including, without limitation, the payment of any Annual or Periodic Payments, unless and until the Lessor has notified the Company, in writing, of such default and the Company has failed to commence action to remedy the same within thirty (30) days of the receipt of such written notice.
