2.9 Court Proceedings

Provident will provide Pembina and its legal counsel with reasonable opportunity to review and comment upon drafts of all material to be filed with the Court in connection with the Arrangement, including by providing on a timely basis a description of any information required to be supplied by Pembina for inclusion in such material, prior to the service and filing of that material, and will accept the reasonable comments of Pembina and its legal counsel with respect to any such information required to be supplied by Pembina and included in such material and any other matters contained therein. Provident will ensure that all material filed with the Court in connection with the Arrangement is consistent in all material respects with the terms of this Agreement and the Plan of Arrangement. In addition, Provident will not object to legal counsel to Pembina making submissions on the application for the Interim Order and the application for the Final Order as such counsel considers appropriate, provided such submissions are consistent with this Agreement and the Plan of Arrangement. Provident will also provide legal counsel to Pembina on a timely basis with copies of any notice and evidence served on Provident or its legal counsel in respect of the application for the Final Order or any appeal therefrom. Subject to applicable Laws, Provident will not file any material with, or make any submissions to, the Court in connection with the Arrangement or serve any such material, and will not agree to modify or amend materials so filed or served, except as contemplated hereby or with Pembina's prior written consent, such consent not to be unreasonably withheld or delayed; provided that nothing herein shall require Pembina to agree or consent to any increased purchase price or other consideration or other modification or amendment to such filed or served materials that expands or increases Pembina's obligations set forth in any such filed or served materials or under this Agreement.

2.10 Board of Directors of Pembina

The Parties agree that each of Mr. Grant D. Billing and Mr. Jeffrey T. Smith shall be appointed to the board of directors of Pembina immediately following completion of the Arrangement, and shall be proposed as management nominees for directors at the 2012 annual meeting of Pembina's shareholders.

2.11 Employee Matters

- (a) Unless otherwise agreed in writing between Pembina and Provident, Pembina covenants and agrees, and after the Effective Time will cause Provident and any successor to Provident to agree, that the employment of all employees of Provident (the "Continuing Employees") will be continued by Provident or Pembina or one of their Subsidiaries, as the case may be, and that the Continuing Employees, unless their employment is terminated, shall continue their employment on terms and conditions comparable, in the aggregate, to the terms and conditions on which they are currently employed.
- (b) Pembina covenants and agrees, and after the Effective Time will cause Provident and any successor to Provident, to honour and comply with the terms of all existing employment, change of control and severance agreements of Provident and its subsidiaries and all

obligations of Provident and its Subsidiaries under the Provident Employee Plans and the Provident LTI Plans.

2.12 Provident LTI Plans and Provident Employment Agreements

The Parties acknowledge that the Arrangement will result in (a) a "change of control" under the Provident 2011 LTIP and the Provident Employment Agreements and (b) a "Take-Over Bid Transaction" under the Provident 2010 LTIP, however, other than (i) Provident CRSUs, Provident PSUs and Provident RSUs granted under the Provident 2010 LTIP; and (ii) with respect to the Provident CRSUs, the Provident PSUs and the Provident RSUs held by each individual who is party to a Provident Employment Agreement for which vesting will be accelerated pursuant to the terms of their respective Provident Employment Agreements, there is no accelerated vesting or payout of any awards granted pursuant to the Provident LTI Plans nor is there any change of control, severance, separation or similar payments triggered under any executive employment or change of control agreements applicable to any officers, employees or directors of Provident or any of its Subsidiaries, including the Provident Employment Agreements, solely as a result of the completion of the Arrangement. In respect of the payout of awards granted under the Provident LTI Plans following the date of this Agreement (including, for greater certainty, payments made in respect of awards for which vesting has accelerated as a result of the completion of the Arrangement), Provident hereby covenants and agrees that: (a) such payments will be determined in accordance with the Provident LTI Plans and that for the purposes of such payments, any determination of the "Adjustment Ratio" and the "Current Market Price" applicable to such payments shall be determined in strict accordance with the terms of the Provident LTI Plans without the making of any adjustments or other determinations as may be available to the board of directors of Provident, or any committee thereof, in their discretion pursuant to the terms of the Provident LTI Plans or any award granted thereunder; and (b) notwithstanding anything to the contrary contained in the Provident LTI Plans or any award granted thereunder, that the calculation of the Payout Multiplier applicable to any such payments will be determined as disclosed in writing to Pembina by Provident on or prior to the date hereof, which calculation is consistent with the past practice of Provident in determining Payout Multipliers applicable to the payout of Provident PSUs.

2.13 Effective Date

The Arrangement shall become effective at the Effective Time on the Effective Date. Upon issuance of the Final Order and subject to the satisfaction or waiver of the conditions precedent in Article VI, each of Pembina and Provident shall, as soon as practicable, execute and deliver such closing documents and instruments and Provident shall proceed to file the Articles of Arrangement, the Final Order and such other documents as may be required to give effect to the Arrangement with the Registrar pursuant to section 193 of the ABCA, whereupon the transactions comprising the Arrangement shall occur and shall be deemed to have occurred in the order set out therein without any further act or formality. Unless otherwise consented to in writing by Pembina, the Effective Date shall not occur prior to Provident having satisfied its covenants in subsection 5.2(o) herein.

2.14 Tax Treatment

The Arrangement is intended to qualify as a reorganization within the meaning of Section 368(a) of the U.S. Tax Code and the U.S. Treasury Regulations promulgated thereunder, and this Agreement is intended to be a "plan of reorganization" within the meaning of the U.S. Treasury Regulations promulgated under Section 368 of the U.S. Tax Code. From and after the date of this Agreement and until the Effective Time, each Party shall use its reasonable best efforts to cause the Arrangement to qualify, and shall not, without the prior written consent of the Parties, knowingly take any actions or cause any actions to be taken which could prevent the Arrangement from qualifying, as a reorganization within the meaning of Section 368(a) of the U.S. Tax Code. Each Party agrees to treat the Arrangement as a reorganization within the meaning of Section 368(a) of the U.S. Tax Code for all United States federal

income tax purposes, and agrees to treat this Agreement as a "plan of reorganization" within the meaning of the U.S. Treasury Regulations promulgated under Section 368 of the U.S. Tax Code, and to not take any position on any Tax Return or otherwise take any Tax reporting position inconsistent with such treatment, unless otherwise required by a "determination" within the meaning of section 1313 of the U.S. Tax Code that such treatment is not correct. Each Party agrees to act in good faith, consistent with the intent of the Parties and the intended treatment of the Arrangement as set forth in herein.

The Arrangement has been and shall continue to be structured to allow Provident Shareholders to receive Pembina Shares on a tax-deferred basis for Canadian and United States federal income tax purposes.

2.15 Withholding Taxes

Pembina shall be entitled to deduct and withhold from any consideration otherwise payable to any Provident Securityholder or any holder of any Provident CRSUs, Provident RSUs or Provident PSUs under or in connection with the Plan of Arrangement such amounts as Pembina or Provident are required to deduct and withhold from such consideration in accordance with applicable Tax Laws. Any such amounts will be deducted, withheld and remitted from the consideration payable pursuant to or in connection with the Plan of Arrangement and shall be treated for all purposes under this Agreement as having been paid to the Provident Securityholders or holder of any Provident CRSUs, Provident RSUs or Provident PSUs in respect of which such deduction, withholding and remittance was made; provided that such deducted and withheld amounts are actually remitted to the appropriate Tax authority.

2.16 Shareholder Communications

Pembina and Provident agree to co-operate and participate in presentations to investors regarding the Arrangement prior to the making of such presentations and to promptly advise, consult and co-operate with each other in issuing any press releases or otherwise making public statements with respect to this Agreement or the Arrangement and in making any filing with any Governmental Entity or with any stock exchange, including the Exchanges, with respect thereto. Each Party shall use all reasonable commercial efforts to enable the other Party to review and comment on all such press releases prior to the release thereof and shall enable the other Party to review and comment on such filings prior to the filing thereof; provided, however, that the foregoing shall be subject to each Party's overriding obligation to make disclosure in accordance with applicable Laws, and if such disclosure is required and the other Party has not reviewed or commented on the disclosure, the Party making such disclosure shall use reasonable commercial efforts to give prior oral or written notice to the other Party, and if such prior notice is not possible, to give such notice immediately following the making of such disclosure or filing. The Parties agree to issue jointly a press release with respect to this Agreement as soon as practicable after its due execution.

2.17 U.S. Securities Laws

The Parties intend that issuance of Pembina Shares to Provident Shareholders under the Arrangement will qualify for the exemption from the registration requirements of the U.S. Securities Act provided by section 3(a)(10) of the U.S. Securities Act. Therefore, each Party agrees to act in good faith, consistent with the intent of the Parties and the intended treatment of the Arrangement as set forth in this Section 2.17.

Each Party will give prompt notice to the other of the occurrence, or failure to occur, at any time from the date hereof until the Effective Date, of any event or state of facts which occurrence or failure would, or would be likely to:

If any such notice is delivered, provided that a Party is proceeding diligently to cure any such matter capable of cure, no Party may terminate this Agreement until the expiration of a period of 10 business days from the date of receipt of such notice (provided that no such cure period shall extend beyond the Outside Date). If such notice has been delivered prior to the date of the Pembina Shareholders' Meeting or the Provident Shareholders' Meeting, Pembina or Provident, as the case may be, may elect to postpone the meeting of its shareholders until the expiry of such period.

6.5 Merger of Conditions

Subject to applicable Law, the conditions set out in Sections 6.1, 6.2 and 6.3 shall be conclusively deemed to have been satisfied, waived or released upon the issuance of a Certificate in respect of the Arrangement.

 - (iii) waive, or otherwise forbear in the enforcement of, or enter into or participate in any discussions, negotiations or agreements to waive or otherwise forbear in respect of, any rights or other benefits under confidential information agreements, including any "standstill provisions" thereunder; or
 - (iv) accept, recommend, approve or enter into an agreement to implement an Acquisition Proposal;

provided, however, that notwithstanding any other provision hereof, Provident and its officers, directors and advisers may, prior to the approval of the Arrangement Resolution at the Provident Shareholders' Meeting:

- (v) enter into or participate in any discussions or negotiations with a third party who, without any solicitation, initiation or encouragement, directly or indirectly, after the date of this Agreement, by Provident or any of its Representatives, seeks to initiate such discussions or negotiations and, subject to execution of a confidentiality and standstill agreement in favour of Provident substantially similar to the Confidentiality Agreement (provided that such confidentiality agreement shall provide for disclosure thereof (along with all information provided thereunder) to Pembina as set out below), may furnish to such third party information concerning Provident and its business, properties and assets, in each case if, and only to the extent that:
 - (A) the third party has first made a written *bona fide* Acquisition Proposal: (1) that is not subject to a financing condition and in respect of which any funds or other consideration necessary to complete the Acquisition Proposal have been demonstrated to the satisfaction of the board of directors of Provident, acting in good faith (after receiving advice from its financial advisor(s) and outside legal counsel), to have been obtained or are reasonably likely to be obtained (as evidenced by a written financing commitment from one or more reputable financial institutions) to fund completion of the Acquisition Proposal at the time and on the basis set out therein; (2) that the board of directors of Provident determines in good faith after consultation with its financial advisor(s), would or would be

reasonably likely to, if consummated in accordance with its terms, result in a transaction financially superior for Provident Shareholders compared to the transaction contemplated by this Agreement; and (3) in respect of which the board of directors of Provident determines in good faith after receiving the advice of outside legal counsel, as reflected in minutes of the board of directors of Provident, that the taking of such action is necessary for the board of directors of Provident to act in a manner consistent with its fiduciary duties under applicable Laws (a "**Superior Proposal**"); and

- (B) prior to furnishing such information to or entering into or participating in any such discussions or negotiations with such third party, Provident shall (1) provide prompt notice to Pembina to the effect that it is furnishing information to or entering into or participating in discussions or negotiations with such third party, together with a copy of the confidentiality and standstill agreement referenced above and, if not previously provided to Pembina, copies of all information provided to such third party concurrently with the provision of such information to such third party, (2) notify Pembina orally and in writing of any inquiries, offers or proposals with respect to a Superior Proposal (which written notice shall include a copy of any such proposal (and any amendments or supplements thereto), the identity of the Person making it, if not previously provided to Pembina and copies of all information provided to such third party), within 24 hours of the receipt thereof, and (3) keep Pembina informed of the status and details of any such inquiry, offer or proposal and answer Pembina's reasonable questions with respect thereto;
- (vi) comply with Multilateral Instrument 62-104 – *Take-Over Bids and Issuer Bids* and similar provisions under Canadian Securities Laws and U.S. Securities Laws relating to the provision of directors' circulars and make appropriate disclosure with respect thereto to its securityholders; and
- (vii) accept, recommend, approve or enter into an agreement to implement a Superior Proposal from a third party, but only if prior to such acceptance, recommendation, approval or implementation, (A) the board of directors of Provident concludes in good faith, after considering all proposals to adjust the terms and conditions of this Agreement as contemplated by Section 7.1(c) and after receiving the advice of outside legal counsel as reflected in the minutes of the board of directors of Provident, that the taking of such action is necessary for such board of directors to act in a manner consistent with its fiduciary duties under applicable Laws, (B) Provident complies with its obligations set forth in subsection 7.1(c), and (C) Provident terminates this Agreement in accordance with subsection 8.1(h), and concurrently therewith pays the amount required by Section 7.2 to Pembina.
- (c) Following receipt of a Superior Proposal, Provident shall give Pembina, orally and in writing, at least five complete business days advance notice of any decision by the board of directors of Provident to accept, recommend, approve or enter into an agreement to implement a Superior Proposal, which notice shall confirm that the board of directors of

Provident has determined that such Acquisition Proposal constitutes a Superior Proposal and shall identify the third party making the Superior Proposal, and Provident shall provide Pembina with a true and complete copy thereof, including all financing documents, and any amendments thereto. During such five business day period, Provident agrees not to accept, recommend, approve or enter into any agreement to implement such Superior Proposal and not to release the party making the Superior Proposal from any standstill provisions and shall not withdraw, redefine, modify or change its recommendation in respect of the Arrangement. In addition, during such five business day period Provident shall, and shall cause its financial and legal advisors to, negotiate in good faith with Pembina and its financial and legal advisors to make such adjustments in the terms and conditions of this Agreement and the Arrangement as would enable Provident to proceed with the Arrangement as amended rather than the Superior Proposal. In the event Pembina proposes to amend this Agreement and the Arrangement on a basis such that the board of directors of Provident determines that the alternative proposed transaction is no longer a Superior Proposal and so advises the board of directors of Pembina prior to the expiry of such five business day period, the board of directors of Provident shall not accept, recommend, approve or enter into any agreement to implement such Acquisition Proposal and shall not release the party making the Acquisition Proposal from any standstill provisions and shall not withdraw, redefine, modify or change its recommendation in respect of the Arrangement. In the event that Provident provides the notice contemplated by this subsection 7.1(c) on a date which is less than five business days prior to the Provident Shareholders' Meeting, Pembina shall be entitled to (i) adjourn or postpone the Pembina Shareholders' Meeting and (ii) require Provident to adjourn or postpone the Provident Shareholders' Meeting, in each case to a date that is not more than ten business days after the date of such notice.

- (d) Nothing contained in this Agreement shall prohibit the board of directors of Provident from withdrawing, modifying, qualifying or changing its recommendation to the Provident Shareholders in respect of the transactions contemplated hereby prior to the approval of the Arrangement by the Provident Shareholders, if the board of directors of Provident determines, in good faith (after consultation with its financial advisor(s) and after receiving written advice of outside legal counsel), that such withdrawal, modification, qualification or change is necessary for the board of directors of Provident to act in a manner consistent with its fiduciary duties under applicable Laws; provided that (i) not less than 72 hours before the board of directors of Provident considers any proposal in respect of any such withdrawal, modification, qualification or change, Provident shall give Pembina written notice of such proposal and promptly advise Pembina of the proposed consideration of such proposal; and (ii) the foregoing shall not relieve Provident from its obligation to proceed to call and hold the Provident Shareholders' Meeting and to hold the vote on the Arrangement Resolution (provided that, except as required under applicable Laws, Provident shall be relieved from its obligations to actively solicit proxies in favour of the Arrangement in such circumstances), except in circumstances where this Agreement is terminated in accordance with the terms hereof.
- (e) Pembina agrees that all information that may be provided to it by Provident with respect to any Superior Proposal pursuant to this Section 7.1 shall be treated as if it were "Confidential Information" as that term is defined in the Confidentiality Agreement and shall not be disclosed or used except in accordance with the provisions of the Confidentiality Agreement or in order to enforce their rights under this Agreement in legal proceedings.

- (f) Provident shall ensure that its Representatives are aware of the provisions of this Section 7.1. Provident shall be responsible for any breach of this Section 7.1 by Provident's Representatives.

7.2 Agreement as to Pembina Damages

If at any time after the execution of this Agreement:

- (a) the board of directors of Provident has withdrawn, modified, qualified or changed any of its recommendations or determinations referred to in Section 2.3, (including, for greater certainty, in the circumstances contemplated by subsection 7.1(d)) in a manner adverse to Pembina or shall have resolved to do so prior to the Effective Date, or has failed to publicly reconfirm any such recommendation upon the request of Pembina prior to the earlier of 72 hours following such request or 72 hours prior to the Provident Shareholders' Meeting (unless Pembina is then in material breach of its obligations hereunder and such withdrawal, change or failure relates to such breach);
- (b) (i) a *bona fide* Acquisition Proposal is publicly announced, proposed, offered or made to the Provident Shareholders or any Person shall have publicly announced an intention to make a *bona fide* Acquisition Proposal prior to the termination of this Agreement; (ii) after such Acquisition Proposal shall have been made known, made or announced, the Provident Shareholders do not approve the Arrangement or vote upon the Arrangement Resolution; and (iii) within twelve months of the date the first Acquisition Proposal is publicly announced, proposed, offered or made a definitive agreement relating to any Acquisition Proposal is entered into or any Acquisition Proposal is consummated or effected;
- (c) the board of directors of Provident accepts, recommends, approves or enters into an agreement to implement a Superior Proposal; or
- (d) Provident is in breach of any of its covenants made in this Agreement, which breach individually or in the aggregate causes or would reasonably be expected to cause a Material Adverse Change with respect to Provident or materially impedes or would reasonably be expected to materially impede the completion of the Arrangement, and Provident fails to cure such breach by the earlier of (i) the Outside Date, and (ii) the tenth business day after receipt of written notice thereof from Pembina (except that no cure period shall be provided for a breach which by its nature cannot be cured);

(each of the above being a "**Pembina Damages Event**") then in the event of the termination of this Agreement pursuant to Section 8.1 as a result thereof, Provident shall pay to Pembina, within two business days of the first to occur of the foregoing, or, in respect of subsection 7.2(d), following Pembina's demand therefore, a fee in the amount of \$100 million as liquidated damages in immediately available funds to an account designated by Pembina, and after such event but prior to payment of such amount, Provident shall be deemed to hold such funds in trust for Pembina; provided that in the case of a Pembina Damages Event pursuant to subsection 7.2(c) such payment shall be made by Provident to Pembina concurrently with the acceptance, recommending, approving or entering into of the Superior Proposal by Provident. Provident shall only be obligated to pay a maximum of \$100 million pursuant to this Section 7.2.

For the purposes of this Section 7.2, an announcement by the board of directors of Provident that it does not have all the information necessary to properly evaluate an Acquisition Proposal and is reaffirming and maintaining its recommendation of the approval of the Arrangement pending receipt and analysis of additional information shall not constitute an event within the ambit of this Section 7.2 or require

Provident to make the payment contemplated by this Section 7.2, provided that: (a) within five days following any such announcement the board of directors of Provident shall make a further announcement publicly maintaining and reaffirming its recommendation of the Arrangement as set forth in Section 2.3 without the foregoing qualification; and (b) notwithstanding anything to the contrary in this paragraph, any announcement by the board of directors of Provident reaffirming and maintaining its recommendation of the approval of the Arrangement which is made within ten days of the Provident Shareholders' Meeting shall not be qualified in any respect.

7.3 Agreement as to Provident Damages

If at any time after the execution of this Agreement:

- (a) the board of directors of Pembina has withdrawn, modified, qualified or changed any of its recommendations or determinations referred to in Section 2.2 in a manner adverse to Provident or shall have resolved to do so prior to the Effective Date, or has failed to publicly reconfirm any such recommendation upon the request of Provident prior to the earlier of 72 hours following such request or 72 hours prior to the Pembina Shareholders' Meeting (unless Provident is then in material breach of its obligations hereunder and such withdrawal, change or failure relates to such breach); or
- (b) Pembina is in breach of any of its covenants made in this Agreement, which breach individually or in the aggregate causes or would reasonably be expected to cause a Material Adverse Change with respect to Pembina or materially impedes or would reasonably be expected to materially impede the completion of the Arrangement, and Pembina fails to cure such breach by the earlier of (i) the Outside Date, and (ii) the tenth business day after receipt of written notice thereof from Provident (except that no cure period shall be provided for a breach which by its nature cannot be cured);

(each of the above being a "**Provident Damages Event**") then in the event of the termination of this Agreement pursuant to Section 8.1 as a result thereof, Pembina shall pay to Provident, within two business days of the first to occur of the foregoing, or, in respect of subsection 7.3(b), following Provident's demand therefor, a fee in the amount of \$100 million as liquidated damages in immediately available funds to an account designated by Provident, and after such event but prior to payment of such amount, Pembina shall be deemed to hold such funds in trust for Provident. Pembina shall only be obligated to pay a maximum of \$100 million pursuant to this Section 7.3.

7.4 Fees and Expenses

- (a) Subject to subsection 7.4(b), each Party shall pay all fees, costs and expenses incurred by such Party in connection with this Agreement and the Arrangement. Pembina and Provident shall share equally any filing fees and applicable Taxes payable for or in respect of any application, notification or other filing made in respect of any regulatory process in respect of the transactions contemplated by the Arrangement, including under the Competition Act and the HSR Act.
- (b) If (i) this Agreement is terminated by Pembina because of the failure of the condition in subsection 6.2(a), or (ii) this Agreement is terminated by Pembina pursuant to subsection 8.1(d) due to a state of facts or circumstances at the time of such termination that would cause the conditions set forth in subsection 6.2(a) not to be satisfied, notwithstanding the availability of any cure period, Provident shall pay to Pembina an amount equal to \$15 million as reimbursement to Pembina for its out-of-pocket expenses incurred in connection with the Arrangement, provided that if Pembina is in material

breach of its obligations hereunder at the time of the termination of the Agreement such amount will not be payable.

- (c) If (i) this Agreement is terminated by Provident because of the failure of the condition in subsection 6.3(a), or (ii) this Agreement is terminated by Provident pursuant to subsection 8.1(d) due to a state of facts or circumstances at the time of such termination that would cause the conditions set forth in subsection 6.3(a) not to be satisfied, notwithstanding the availability of any cure period, Pembina shall pay to Provident an amount equal to \$15 million as reimbursement to Provident for its out-of-pocket expenses incurred in connection with the Arrangement, provided that if Provident is in material breach of its obligations hereunder at the time of the termination of the Agreement such amount will not be payable.
- (d) No fees shall be payable by Provident under subsection 7.4(b) if Provident has paid a fee under Section 7.2.
- (e) No fees shall be payable by Pembina under subsection 7.4(c) if Pembina has paid a fee under Section 7.3.

7.5 Liquidated Damages

Each Party acknowledges that all of the payment amounts set out in this Article VII are payments of liquidated damages which are a genuine pre-estimate of the damages which Pembina or Provident will suffer or incur as a result of the event giving rise to such damages and resultant termination of this Agreement and are not penalties. Each Party irrevocably waives any right it may have to raise as a defence that any such liquidated damages are excessive or punitive. For greater certainty, the Parties agree that if the payment of any amounts pursuant to this Article VII is made, such payment is the sole monetary remedy of Pembina and Provident; provided, however, that this limitation shall not apply in the event of fraud or willful breach of this Agreement by a Party.

7.6 Access to Information; Confidentiality

From the date hereof until the earlier of the Effective Date and the termination of this Agreement, Provident shall, and shall cause its Subsidiaries and Representatives to, subject to all applicable Laws and any confidentiality obligations owed by Provident to a third party or in respect to customer specific or competitively sensitive information and in accordance with the Confidentiality Agreement and any other subsequent written agreement that addresses confidentiality between the Parties, afford to Pembina and the Representatives of Pembina complete access at all reasonable times to their officers, employees, agents, properties, books, records and contracts (including permitting Pembina's Representatives to attend Provident's regular operations meetings), and shall furnish Pembina with all data and information as Pembina may reasonably request, subject to any confidentiality obligations owed by Provident to a third party, in respect to customer specific or competitively sensitive information, the conditions contained in the Confidentiality Agreement and any other subsequent written agreement that addresses confidentiality between the Parties, in order to permit Pembina to be in a position to expeditiously and efficiently integrate the businesses and operations of Pembina and Provident immediately upon but not prior to the Effective Date.

7.7 Insurance and Indemnification

- (a) Pembina agrees that it will maintain in effect, or will cause Provident or its successors to maintain in effect, without any reduction in scope or coverage for six years from the Effective Time customary policies of directors' and officers' liability insurance providing protection comparable to the most favourable protection provided by the policies

maintained by Provident and their respective Subsidiaries as are in effect immediately prior to the Effective Time and providing coverage on a "trailing" or "run-off" basis for all present and former directors and officers of Provident with respect to claims arising from facts or events which occurred prior to the Effective Time. Furthermore, prior to the Effective Time, Provident may, in the alternative, with the consent of Pembina, not to be unreasonably withheld, purchase run-off directors' and officers' liability insurance for a period of up to six years from the Effective Time, and in such event none of Pembina, Provident or any successor of Provident will have any further obligation under this subsection 7.7(a).

- (b) Pembina agrees that all rights to indemnification or exculpation now existing in favour of present and former officers and directors of Provident shall survive completion of the Arrangement and shall continue in full force and effect for a period of not less than six years from the Effective Date.

7.8 Privacy Issues

- (a) For the purposes of this Section 7.8, the following definitions shall apply:
 - (i) "**applicable law**" means, in relation to any Person, transaction or event, all applicable provisions of Laws by which such Person is bound or having application to the transaction or event in question, including applicable privacy laws;
 - (ii) "**applicable privacy laws**" means any and all applicable laws relating to privacy and the collection, use and disclosure of Personal Information in all applicable jurisdictions, including the *Personal Information Protection and Electronic Documents Act* (Canada) and/or any comparable provincial law including the *Personal Information Protection Act* (Alberta);
 - (iii) "**authorized authority**" means, in relation to any Person, transaction or event, any (A) federal, provincial, municipal or local governmental body (whether administrative, legislative, executive or otherwise), both domestic and foreign, (B) agency, authority, commission, instrumentality, regulatory body, court, central bank or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to government, (C) court, arbitrator, commission or body exercising judicial, quasi-judicial, administrative or similar functions, and (D) other body or entity created under the authority of or otherwise subject to the jurisdiction of any of the foregoing, including any stock or other securities exchange, in each case having jurisdiction over such Person, transaction or event; and
 - (iv) "**Personal Information**" means information (other than business contact information when used or disclosed for the purpose of contacting such individual in that individual's capacity as an employee or an official of an organization and for no other purpose) about an identifiable individual disclosed or transferred to Pembina by Provident in accordance with this Agreement and/or as a condition of the Arrangement.
- (b) The Parties hereto acknowledge that they are responsible for compliance at all times with applicable privacy laws and with respect to any individual who is a resident of the United States, any applicable Party policy or agreement which govern the collection, use or

disclosure of Personal Information disclosed to either Party pursuant to or in connection with this Agreement (the "**Disclosed Personal Information**").

- (c) Prior to the completion of the Arrangement, neither Party shall use or disclose the Disclosed Personal Information for any purposes other than those related to the performance of this Agreement and the completion of the Arrangement. After the completion of the transactions contemplated herein, a Party may only collect, use and disclose the Disclosed Personal Information for the purposes for which the Disclosed Personal Information was initially collected from or in respect of the individual to which such Disclosed Personal Information relates or for the completion of the transactions contemplated herein, unless (i) either Party shall have first notified such individual of such additional purpose, and where required by applicable law and with respect to any individual who is a resident of the United States, any applicable Party policy or agreement, obtained the consent of such individual to such additional purpose, or (ii) such use or disclosure is permitted or authorized by applicable law and with respect to any individual who is a resident of the United States, any applicable Party policy or agreement, without notice to, or consent from, such individual.
- (d) Each Party acknowledges and confirms that the disclosure of the Disclosed Personal Information is necessary for the purposes of determining if the Parties shall proceed with the Arrangement, and that the Disclosed Personal Information relates solely to the carrying on of the business or the completion of the Arrangement.
- (e) Each Party acknowledges and confirms that it has taken and shall continue to take reasonable steps to, in accordance with applicable law and with respect to any individual who is resident of the United States, any applicable Party policy or agreement, prevent accidental loss or corruption of the Disclosed Personal Information, unauthorized input or access to the Disclosed Personal Information, or unauthorized or unlawful collection, storage, disclosure, recording, copying, alteration, removal, deletion, use or other processing of such Disclosed Personal Information.
- (f) Subject to the following provisions, each Party shall at all times keep strictly confidential all Disclosed Personal Information provided to it, and shall instruct those employees or advisors responsible for processing such Disclosed Personal Information to protect the confidentiality of such information in a manner consistent with the Parties' obligations hereunder. Prior to the completion of the Arrangement, each Party shall take reasonable steps to ensure that access to the Disclosed Personal Information shall be restricted to those employees or advisors of the respective Party who have a *bona fide* need to access to such information in order to complete the Arrangement.
- (g) Where authorized by applicable law, each Party shall promptly notify the other Party to this Agreement of all inquiries, complaints, requests for access, variations or withdrawals of consent and claims of which the Party is made aware in connection with the Disclosed Personal Information. To the extent permitted by applicable law, the Parties shall fully co-operate with one another, with the persons to whom the Personal Information relates, and any authorized authority charged with enforcement of applicable privacy laws, in responding to such inquiries, complaints, requests for access, variations or withdrawals of consent and claims.
- (h) Upon the expiry or termination of this Agreement, or otherwise upon the reasonable request of either Party, the other Party shall forthwith cease all use of the Disclosed Personal Information acquired by it in connection with this Agreement and will return to the requesting Party or, at the requesting Party's request, destroy in a secure manner and

with respect to any individual who is resident of the United States, in accordance with applicable law and any applicable Party policy or agreement, the Disclosed Personal Information (and any copies thereof) in its possession.

**ARTICLE VIII
TERM, TERMINATION, AMENDMENT AND WAIVER**

8.1 Termination

This Agreement may be terminated at any time prior to the Effective Date:

- (a) by mutual written consent of Pembina and Provident;
- (b) by either Pembina or Provident if the Arrangement Resolution shall have failed to receive the requisite vote of the Provident Shareholders for approval at the Provident Shareholders' Meeting (including any adjournment or postponement thereof) in accordance with the Interim Order;
- (c) by either Pembina or Provident if the Pembina Share Issuance Resolution shall have failed to receive the requisite vote of the Pembina Shareholders for approval at the Pembina Shareholders' Meeting (including any adjournment or postponement thereof);
- (d) by either Pembina or Provident if the Effective Time shall not have occurred on or prior to the Outside Date, except that the right to terminate this Agreement under this subsection 8.1(d) shall not be available to any Party whose failure to fulfill any of its obligations has been the cause of, or resulted in, the failure of the Effective Time to occur by such date;
- (e) as provided in Section 6.4; provided that the Party seeking termination is not then in breach of this Agreement so as to cause any of the conditions set forth in Sections 6.1, 6.2 or 6.3, as applicable, not to be satisfied;
- (f) by Pembina upon the occurrence of a Pembina Damages Event as provided in Section 7.2;
- (g) by Provident upon the occurrence of a Provident Damages Event as provided in Section 7.3; or
- (h) by Provident to accept, recommend, approve or enter into an agreement to implement a Superior Proposal in accordance with paragraph 7.1(b)(vii), provided that Provident (i) has complied with its obligations set forth in Section 7.1 and (ii) concurrently pays the amount required pursuant to Section 7.2.

8.2 Effect of Termination

In the event of the termination of this Agreement in the circumstances set out in Section 8.1, this Agreement shall forthwith become void and neither Party shall have any liability or further obligation to the other Party hereunder, except with respect to the obligations set forth in Sections 7.2, 7.3, 7.4, and 7.5 where applicable. For greater certainty, unless Section 7.5 applies due to a Party being entitled to a payment pursuant to Sections 7.2, 7.3, or 7.4, nothing contained in this Section shall relieve either Party from liability for any breach of any provision of this Agreement. No termination of this Agreement shall affect the obligations of the Parties pursuant to the Confidentiality Agreement, except to the extent specified therein.

8.3 Amendment

This Agreement and the Plan of Arrangement may, at any time and from time to time before or after the holding of the Pembina Shareholders' Meeting and Provident Shareholders' Meeting but not later than the Effective Time, be amended by mutual written agreement of the Parties, subject to the Interim Order and Final Order and applicable Laws.

8.4 Waiver

Either Party may: (a) extend the time for the performance of any of the obligations or other acts of the other Party; (b) waive compliance with any of the other Party's agreements or the fulfillment of any conditions to its own obligations contained herein; and (c) waive inaccuracies in any of the other Party's representations or warranties contained herein or in any document delivered by the other Party; provided, however, that any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such Party and such waiver shall apply only to the specific matters identified in such instrument.

9.2 Entire Agreement; Binding Effect

This Agreement: (a) together with the Confidentiality Agreement and any other subsequent written agreement that addresses confidentiality between the Parties, constitutes the entire agreement and supersedes all other prior agreements and understandings, both written and oral, between the Parties with respect to the subject matter hereof; and (b) shall be binding upon and enure to the benefit of the Parties and their respective successors and permitted assigns.

9.3 Assignment

Except as expressly permitted by the terms hereof, neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by either of the Parties hereto without the prior written consent of the other Party.

9.4 Time of Essence

Time shall be of the essence in this Agreement.

9.5 Further Assurances

Each Party hereto shall, from time to time and at all times hereafter, at the request of the other Party hereto, but without further consideration, do all such further acts, and execute and deliver all such further documents and instruments as may be reasonably required in order to fully perform and carry out the terms and intent hereof.

9.6 Specific Performance

Pembina and Provident agree that irreparable harm would occur for which money damages would not be an adequate remedy at law in the event that any of the provisions of this Agreement or the Confidentiality Agreement or any other subsequent written agreement that addresses confidentiality between the Parties were not performed by the other Party in accordance with their specific terms or were otherwise breached. It is accordingly agreed that each Party shall be entitled to an injunction or

injunctions and other equitable relief to prevent breaches or threatened breaches of the provisions of this Agreement or the Confidentiality Agreement or any other subsequent written agreement that addresses confidentiality between the Parties or to otherwise obtain specific performance of any such provisions, any requirement for the securing or posting of any bond in connection with the obtaining of any such injunctive or other equitable relief hereby being waived.

9.7 Third Party Beneficiaries

The provisions of Sections 5.5(c) and 7.7 are: (a) intended for the benefit of all present and former directors and officers of Provident and their respective Subsidiaries, as and to the extent applicable in accordance with their terms, and shall be enforceable by each of such Persons and his or her heirs, executors administrators and other legal representatives (collectively, the "**Third Party Beneficiaries**") and Pembina shall hold the rights and benefits of Sections 5.5(c) and 7.7 in trust for and on behalf of the Third Party Beneficiaries and Pembina hereby accepts such trust and agrees to hold the benefit of and enforce performance of such covenants on behalf of the Third Party Beneficiaries; and (b) are in addition to, and not in substitution for, any other rights that the Third Party Beneficiaries may have by contract or otherwise. Except as provided in this Section 9.7, this Agreement shall not (i) confer any rights or remedies upon any Person other than the Parties and their respective successors and permitted assigns, (ii) constitute or create an employment agreement with any employee, create any right to employment or continued employment or service, or to a particular term or condition of employment, or (iii) other than as may be provided for in Section 2.12 and subsection 5.2(f) hereof, be construed to establish, amend, or modify any Provident Employee Plan or any other benefit or compensation plan, program, agreement or arrangement.

9.8 Governing Law

This Agreement shall be governed by and construed in accordance with the Laws of the Province of Alberta and the Laws of Canada applicable therein, and the Parties hereto irrevocably attorn to the jurisdiction of the courts of the Province of Alberta.

9.9 Severability

If any one or more of the provisions or parts thereof contained in this Agreement should be or become invalid, illegal or unenforceable in any respect in any jurisdiction, the remaining provisions or parts thereof contained herein shall be and shall be conclusively deemed to be, as to such jurisdiction, severable therefrom and:

- (a) the validity, legality or enforceability of such remaining provisions or parts thereof shall not in any way be affected or impaired by the severance of the provisions or parts thereof severed; and
- (b) the invalidity, illegality or unenforceability of any provision or part thereof contained in this Agreement in any jurisdiction shall not affect or impair such provision or part thereof or any other provisions of this Agreement in any other jurisdiction.

9.10 Counterparts

This Agreement may be executed by facsimile or other electronic signature and in counterparts, each of which shall be deemed an original, and all of which together constitute one and the same instrument.
